

Praise Report

By Pastor Jude Garcia

Dear Pastors Mike Mille and Sis. Elaine, Pastor Leon Willis, Pastor Anthony Marquize:

First, we thank God for your vision and mission. Secondly, for and behalf of our nine Filipino national pastors w/c have become Great Commission Fellowship members, we would like to express our heartfelt gratitude for the love and support you have extended us in the Philippines in the amount of \$1,100.00 a month w/c your ministry have been supporting since October or November of 2010. Truly your investment in the kingdom has gained much fruit in the salvation of more souls, more churches planted, pastors and their families encouraged and Teaching and Seminars for ministers done.

LIMITATIONS: The report here is from three major provinces only representing six of our pastors. The others I am still gathering.

HERE ARE SOME OF OUR TESTIMONIES:

Testimony of Pastor Jude M. Garcia of CTM U.S.A.

The excellent quality and supernatural revelations of faith and wisdom in the teaching of Pastor Mike Mille changed my worldview, word confessions, and stance in spiritual authority over the material world. This caused an increased level of faith in me and overflowed in my sharing and teaching the same to our pastors in the Philippines. The second Great Commission Fellowship Conference last 2010 in March I attended had testimonies of pastors who believed the lord and obtained lands properties and financial breakthrough. This further reinforced the messages on positional favor to get what God promised us. Truly, God was speaking to me personally. I truly was encouraged to believe God for donations of land and building. I started to believe it and asked the lord that the same anointing that was on Mike Mille be given to me too by the Lord. So, when I went home to California I shared it with our church in the Philippines and other of our pastors in the provinces through long distance telephone and internet video conferencing. I asked them to believe God for land, buildings etc. as I shared what I learned from the conference. After three months our church in Las Pinas, Philippines received a donation of a condominium apartment ! This is the first time we ever received a 2 million pesos or 50,000 dollars worth of property donation in 26 years.

On soul winning events, during the Pentecostal Celebration last August, when everybody was encouraged to bring in unsaved to be born again, 80 persons received Jesus Christ during the service.

TESTIMONY OF PASTOR LORENZO ALBURO (OVERSEER FOR LEYTE AND BILIRAN PROVINCE.)

Positional Favor testimony:

In the province of Leyte and Biliran, Pastor Lorenzo of Biliran as the district supervisor, He got a donation for the church to have a land. They received 500,000.00 pesos (About 12,000.00 dollars). In Laguna Pastors Greg and pastor Ramil received a donation for a church building in the Galagan church of 160,000.00 pesos (about 4,000.00 dollars). Thank God for the transference of faith and anointing we got! This is the reason why I am again expectant to receive from Pastor Mike and the other Ministers this coming conference in the Great Commission Fellowship on October 13-15.

Because of the regular support each of them receive from Pastor Mike Mille and White dove fellowship they are thankful for additional provisions to enable them to go and pay transportation to many barangays and other provinces for evangelism, teaching, pastoral care. Also it helps a lot in providing support for their household needs where pastor Boy has five children to feed.
