Women of Relentless Devotion

Greetings Relentless Women...

November 2, 2010 – a very important mid-term election and vote. It is important that when we vote we use God's WORD as our wisdom and guide. Block out the TV commercials, look at the person and what they stand for – not what kind of PORK they may bring back to your state or district. It really is time we stopped the PORK and all began to get our nation back on track. Look for a candidate that truly walks in the WORD. Let's look for the candidate who will support the Constitution and the Bill of Rights. Men and women who 'look like' our Founding Fathers. And that's all I have to say about that.

Greetings Relentless Women...

this is a prophetic WORD from Ras Robinson, Ft. Worth, TX:

Pray as never before. Pray prayers of repentance and forgiveness for the transgressions of the nation. Gladly submit yourself for self examination to see if there is need for more personal and spiritual cleansing. Resist making judgments of your leaders. It is so easy to do. Yet the job of judging is mine alone. Instead, pray fervently for those who rule. During election season, cry out quietly but also with a loud voice your lamentation for your nation and its rulers. Make sure your own heart is and stays pure. A divided nation is weakened by the transgressions of those who rule and then by those who follow them. Stability with peace is a definite possibility.

Proverbs 28:2 (AMP) "When a land transgresses, it has many rulers, but when the ruler is a man of discernment, understanding, and knowledge, its stability will long continue."

if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.— 2 Chronicles 7:14

KNOTS

A Prayer to Un-Knot Your Life

Dear God,
Please untie the knots that are in my mind,
my heart, and my life.

Remove the have knots, the can knots, and
the do knots that I have in my mind.

Erase the will knots, may knots, might knots
that may find a home in my heart.

Release me from the - could knots, would
knots, and should knots, that obstruct
my life.

Most of all dear God, I ask that you remove
from my heart and my life all of the "am
knots" that I allow to hold me back,
especially the thought that I am not
good enough.

Through Jesus' name I pray – Amen.

Insight and Sharing

I would love for any of you who have something they would like to share – please share. I know that God is speaking to each and every one of you – please share. Each of you has a different view, a different walk – share with us what the Lord is sharing with you. Give us new revelation and new insight. It can be a devotion that touched you, a scripture that has given you strength. Or tell me what your group is doing and sharing.

*And remember – no matter what is going on in your life – Jeremiah 29:11 – NIRV
I know the plans I have for you, “announces the Lord. “I want you to enjoy success. I do not plan to harm you. I will give you hope for the years to come.*
